

Design/Project Engineers 0-5 Years' Experience

Due to an increasing project workload, Roadplan Consulting is currently seeking two Design/Project Engineers to join our Kilkenny Office working remotely as required by the relevant level of Covid-19 restrictions.

Qualifications and Experience

The position of Design/Project Engineer will require candidates to hold a minimum Level 8 Honours Degree Qualification in Civil Engineering (a Level 9 Masters Degree would be an advantage) accredited by Engineers Ireland or equivalent qualification with up to 5 years' experience ideally in the area of civil engineering/roads/transportation projects.

Duties and Responsibilities

As a member of the team, you will work in an intermediate engineering role under the direction of our Directors and other senior individuals in the Company. Candidates will be required to undertake the following duties:

- Preparation and review of feasibility/preliminary designs and reports using various software and subsequent preparation of preliminary/detailed design drawings and specifications. Comprehensive operation of AutoCAD 2D is a basic requirement.
- Assist in the preparation of preliminary and contract drawings using alignment design packages such as MX Roads or Civil 3D. Experience in same is preferable.
- Coordination & liaison with Clients, Stakeholders and Local/Regulatory Authorities.
- Assist in the procurement of Sub-consultants, site investigations and roads Contracts including preparation of pricing schedules and bills of quantities.
- Assist in the preparation, administration and assessment of tenders.
- Assist in the administration of the construction contracts to ensure that design requirements, project schedules and project budget are achieved.

Advantageous Skills and Experience

Conversant with relevant Design Standards i.e. TII Publications, DMURS etc.
Competent in AutoCAD, MS Office and MX Roads/Civil 3D.
Excellent written and verbal (English) communication.
Good interpersonal skills.

We Offer

Full time, permanent employment with paid expenses & professional membership.
An excellent salary commensurate to the successful candidate's experience.
The opportunity to work and grow with an experienced and dynamic team.
Commitment to your career progression and professional development.

How to Apply

If the above role is of interest to you and you would like an opportunity to discuss this position further, please submit a cover letter and CV to careers@roadplan.ie.

Note to Recruitment Agencies
