

Chartered Engineer **~ + 5 Years' Experience**

ROADPLAN
CONSULTING

Due to an increasing project workload, Roadplan Consulting is currently seeking a Chartered Engineer to join our Kilkenny Office.

Qualifications and Experience

The position of Chartered Engineer will require candidates to hold a minimum Level 8 Honours Degree Qualification in Civil Engineering accredited by Engineers Ireland or equivalent qualification with a minimum 5 years' experience ideally in the area of civil engineering/roads/transportation projects.

Duties and Responsibilities

As a member of the team, you will work in a senior engineering role under the direction of our Directors and other senior individuals in the Company. Candidates will be required to undertake the following duties:

- * Manage and carry out inspections on Temporary Traffic Management.
- * Complete Temporary Safety Measures Inspection Reports.
- * Manage and carry out Road Safety Inspections.
- * Manage and carry out Road Safety Audits as Team Member/Leader.

Advantageous Skills and Experience

Attended a Certificate in Temporary Traffic Management Design (Level 1 and 2 Roads) and Inspection.

Attended a IOSH Managing Safely in Construction course.

Knowledge of the TII Publications, Traffic Signs Manual, Health and Safety Legislation, including the Construction Regulations.

Car Driver.

Excellent written and verbal (English) communication.

Strong interpersonal skills.

We Offer

Full time, permanent employment with paid expenses & professional membership.

An excellent salary commensurate to the successful candidate's experience.

The opportunity to work and grow with an experienced and dynamic team.

Commitment to your career progression and professional development.

How to apply

If this role is of interest to you and you would like an opportunity to discuss this position further, please submit a cover letter and CV to careers@roadplan.ie.
